What Curriculum Does Our School Use?

Our school uses the state-mandated curriculum that allows us to follow the Georgia Standards of Excellence (GSE) for English/Language Arts, Reading, Math, Social Studies, and Science.

What Test Will My Child be Taking?

The Georgia Milestones Assessment System will consist of both End of Grade (EOG) and End of Course (EOC) measures. Students in grades 3-8 achievement will be measured using EOG tests in Language Arts, Mathematics, Science, Social Studies. High school students' achievement will be measured using EOC tests in American Literature, Algebra 1, Biology, US History.

FastBridge Assessment - ?

The four achievement levels on Georgia Milestones are beginning learner, developing learner, proficient learner, and distinguished learner. The general meaning of each of the four levels is provided below:

- The four achievement levels on Georgia Milestones are *Beginning Learner*, *Developing Learner*, *Proficient Learner*, and *Distinguished Learner*. The general meaning of each of the four levels is provided below:
- **Beginning Learners do not yet demonstrate proficiency** in the knowledge and skills necessary at this grade level/course of learning, as specified in Georgia's content standards. The students **need substantial academic support** to be prepared for the next grade level or course and to be on track for college and career readiness.
- **Developing Learners demonstrate partial proficiency** in the knowledge and skills necessary at this grade level/course of learning, as specified in Georgia's content standards. The students **need additional academic support** to ensure success in the next grade level or course and to be on track for college and career readiness.
- **Proficient Learners demonstrate proficiency** in the knowledge and skills necessary at this grade level/course of learning, as specified in Georgia's content standards. The students **are prepared** for the next grade level or course and are on track for college and career readiness.
- **Distinguished Learners demonstrate advanced proficiency** in the knowledge and skills necessary at this grade level/course of learning, as specified in Georgia's content standards. The students **are well prepared** for the next grade level or course and are well prepared for college and career readiness.

Georgia's Alternative Assessment 2.0 (GAA)

What is the GAA 2.0?

The Georgia Alternate Assessment 2.0 (GAA 2.0) is designed to ensure that students with significant cognitive disabilities are provided access to the state academic content standards and given the opportunity to demonstrate achievement of the knowledge, concepts, and skills inherent in the standards.

The Georgia Standards of Excellence and Extended Content Standards for students with significant cognitive disabilities drive the curriculum, instructional strategies, and assessment.

The GAA 2.0 will be administered to all eligible students in the following areas:

- Grades K, 3-8, and 11 will be assessed in English Language Arts and Mathematics.
- Grades 5, 8, and 11 will also be assessed in Science and Social Studies.
- One-on-one assessment answered through the student's mode of communication.
- 11 questioned (3 parts per question)

The Four Achievement Levels for the GAA 2.0.

- **Level 1:** Students at this level demonstrate a limited understanding of the knowledge and skills specified in Georgia's alternate academic content standards. They are actively working with adapted grade-level content that focuses on essential knowledge and skills and may need substantial academic support as they transition to the next grade/course, inclusive postsecondary education, or competitive integrated employment.
- **Level 2:** Students at this level demonstrate a partial understanding of the knowledge and skills specified in Georgia's alternate academic content standards. They are actively working with adapted grade-level content that focuses on essential knowledge and skills and may need frequent academic support as they transition to the next grade/course, inclusive postsecondary education, or competitive integrated employment.
- **Level 3:** Students at this level demonstrate an adequate understanding of the knowledge and skills specified in Georgia's alternate academic content standards. They are actively working with adapted grade-level content that focuses on essential knowledge and skills and may need occasional academic support as they transition to the next grade/course, inclusive postsecondary education, or competitive integrated employment.
- **Level 4:** Students at this level demonstrate a thorough understanding of the knowledge and skills specified in Georgia's alternate academic content standards. They are actively working with adapted grade-level content that focuses on essential knowledge and skills and may need limited academic support as they transition to the next grade/course, inclusive postsecondary education, or competitive integrated employment.

Parents now have access to their children's SLDS data through the SLDS Parent Portal. The SLDS Parent Portal is accessible to parents directly through their district's student information system—that means no additional logins and passwords to remember!

Benefits of the SLDS Parent Portal

Using Georgia's SLDS Parent Portal helps parents answer the following questions:

- How can I talk to my child about how they are doing in school?
- How is my child doing in math and reading?
- How many school days has my child missed?
- How does my child compare to other students?
