WHAT IS A TEAM?

• A team is a group of teachers who teach the same group of students.

• All middle school students are randomly assigned to a team.

• The academic classes, lockers, and homerooms of students on each team are usually in close proximity.

• Teams are named by grade and letter, color, etc. such as 6A, 6B, or Team Gold.

• All teams are assigned students of all levels and abilities for the core classes of Language Arts, Math, Science, and Social Studies, with the exception of those who qualify for gifted, high achievers or special education.
WHO IS ON MY TEAM

• Approximately 120 students
• Share academic teachers
Rising 6\textsuperscript{th} graders will take four academic classes and two connection classes. Some students may be assigned to classes off-team.

PERSONALIZED LEARNING & TECHNOLOGY

We hold students accountable when it comes to technology!

- Use of the Internet must be in support of education and research consistent with Districts’ Policies
- Use of a Chromebook is a privilege
- Network Etiquette is required
- Students must log in on correct websites. If you access sites that are unacceptable, the device will become disabled. It will also result in ISS/OSS and loss of your chrome book

- Absolutely NO CYBERBULLYING!
